October 26, 2010 10:22 PM

LeSpa at Sofitel L.A. has debuted Touch of Love, a couple's program. Taught by LeSpa's massage therapists, Touch of Love brings couples together to learn simple massage techniques. Available as a 50-minute (\$195) or 80-minute (\$245) lesson, Touch of Love features hands-on guidance from spa technicians, as well as time for each participant to practice the techniques on his or her partner.

The lesson and massage take place in LeSpa's VIP suites with private steam showers and relaxation areas. Couples receive a photo manual of the massage routine learned during the experience, as well as a custom blended aphrodisiac aromatherapy oil. To book the Touch of Love program, call 310-228-6777 or email sofitellalespa@sofitel.com. For more information, call 800-763-4835 or visit www.sofitel.com.
