Red Haute

At a recent charity event, I wore a red floor-length, one shoulder Calvin Klein dress that I'd picked up (on sale) for just such an occasion months before.

After perusing the space, and the guests, my brother, who's not exactly a style-setter, turned to me and said, "You're the only girl here in red; you really stand out."

Diamonds are a girl's best friend

At LeSpa at Sofitel L.A. diamonds and gold meet in a precious facial that softens wrinkles, tightens skin and leaves complexions glowing.

The treatment, Flawless Facial, calls upon the CARITA skincare line including Diamond Cream (normally \$600) and Perfect Gold Serum (normally \$348), featuring diamond powder and gold minerals respectively, along with a take-home gift of CARITA'S classic Fluide de Beauté 14 Gold. The 80 minute facial is priced \$325 and results are, of course, priceless.
